

PONTIAC

Hockey | Christmas | Parent Council

Brrrrrr....

We are in the midst of winter and have seen a dip in temperatures. Please ensure your child has the proper attire for outdoor recess. We will have indoor recesses during extremely cold days to ensure the safety and health of our students.

Prodigy Math

Our students are being introduced to the online game of Prodigy which supports learning of math skills at a pace that meets their individual learning needs. Check it out at www.prodigygame.com

Parent council

The parent council will be meeting Wednesday, January 14, 2015 at 4:30. All parents and guardians are invited to attend and participate in upcoming events at Pontiac. We are currently looking at organizing Lunch & Learns with regards to nutrition and other topics of interest.

Pontiac Vs. Police Hockey

December was a very festive month that ended with the students cheering at a fast paced and exciting hockey game. We held our annual police vs. student hockey game with the police narrowly beating out our students in a shoot out. The students cheered for both teams and enjoyed intermission music that kept their toes tapping. We are thankful to all who made the event a success including the referee, score keeper, music/commentator and all the spectators that joined our students.

Turtle Concepts

Our students participated in a fun-filled day of confidence building activities that also brought about discussions relating to respect and treating others the way we want to be treated. The day included inspirational talks, story telling and students sharing their knowledge.

Resolution

With the new year upon us, it's a great time to make resolutions and break old habits. It is important for students to be on time as we begin our days with literacy and numeracy. Students who are habitually late miss out on the introductory lesson and may feel lost because of it. We encourage our students to be on time and prepared for the day ahead of them.

Holiday Spirit

We would like to say Miigwech to all who came out to our Christmas concert. Our students showcased their talents whether it was through song, playing an instrument, dance, or acting in a play. Miigwech to all who turned our gym into a winter wonderland and supported our students in providing a great show for our parents/guardians. We wish everyone a safe and happy new year! Here's some more pictures of our activities in December.

Christmas cheer at our Christmas concert!

8H artwork

Learning about volume through finding out which cylinder held more popcorn. A fun and delicious lesson.
