

# ATHLETICS POLICY

---

## Academic Standing

- Students must maintain a 60% overall average and be passing all of his/her courses or be actively receiving regular extra help to raise marks to participate on an athletics team.
- Students must have fewer than 12 unexcused absences in each class to remain on any athletics team.
- Individual teachers must be aware of the athletics policy and monitor students' achievements and/or absences in their respective classes. Teachers must inform coaches at least one full day prior to games if any student's academic standing is in jeopardy.
- Coaches are responsible for informing other teachers at least one full day in advance when their team will be travelling and/or playing home games.
- Students are responsible for collecting and completing any work missed due to athletic events.
- Students must make arrangements with their teachers to write any tests that will be missed due to athletic events (teachers are encouraged to be flexible and preferably allow students to write tests in advance).
