

## **Student Expectations:**

### **Bus Transportation**

While on route, the students are:

1. To conduct themselves in a safe manner and always respect private property.
2. To keep their hands and head inside the bus at all times after entering and leaving the bus.
3. To keep books, lunch pails, packages and coats and all other objects out of the aisles.
4. To refrain from allowing anything to protrude from or be thrown out of the windows of the bus.
5. To keep quiet as loud talking and laughing or unnecessary confusion can divert the driver's attention and may result in a serious accident.
6. To assist in keeping the bus in a safe and sanitary condition at all times.
7. To treat bus equipment as they would valuable furniture in their own home. Damage to seat, etc., must be paid by the offender.
8. To be courteous to fellow students, the bus driver, the monitor and help look after the safety and comfort of younger students.
9. Not permitted to leave their seats while the bus is in motion.
10. In case of road emergency, to remain on the bus, unless instructed by the bus driver to do otherwise.
11. To refrain from use of profane language.
12. To refrain from smoking or chewing tobacco.

Notes:

The bus contractor will inform the principal in writing of any serious or constant misconduct by a student. The principal will take the required disciplinary action and advise the parents in writing accordingly.

As a last resort, the bus contractor may order a student from a school bus if such a student is acting in a manner deemed detrimental to the safety and well being of other students being transported.
